Message for the occasion of International Women's Day 2025 – Hon. Sylvanne Lemiel

Today the Women's Caucus in the National Assembly join the rest of the women in Seychelles and around the world to celebrate International Women's Day under the theme;

"For ALL Women and Girls: Rights. Equality. Empowerment."

Theme for this year calls for more action that provide equal rights, power and opportunities for all and a feminist future where no one is left behind.

As we celebrate the incredible achievements, strength, and resilience of women in Seychelles and around the world. Let us continue to strive for gender equality, empower one another, and break barriers that hold us back. Let us support each other in our journey towards a more inclusive and equitable society.

Together, we can create a world where every woman and girl has the opportunity to thrive and succeed.

To all the amazing women out there, remember that you are powerful, you are important, and you deserve to be celebrated not just today, but every single day. Keep shining bright and inspiring others with your determination and grace. Here's to all the strong women in Seychelles and around the world.

"HAPPY WOMEN'S DAY"
